2009 Turfgrass Short Course

What is being offered?

The annual Turfgrass Short Course, an educational event, is designed for all segments of the turfgrass industry. It is an extensive overview of the principles and practices in sound turfgrass management that can be applied to any segment of the industry (golf, lawn care, sod production, sports turf, etc.). Whether you are new in the business and desire a crash course in turfgrass management, or even if you have a college degree in turfgrass management and want a refresher course on the basics and an introduction to the latest topics, this course is for you.

Who are the instructors?

Faculty and staff of Virginia Tech's Turfgrass Management Team lead all educational programs.

SCHEDULE HIGHLIGHTS

1. The course is three FULL days of instruction running Monday thru Wednesday.
2. Classes will be held on the Virginia Tech campus in the Graduate Life Center (formerly, Donaldson Brown) and the Hampton Roads AREC.
3. A special TUESDAY NIGHT reception at VT and Q&A session with all participants and the VT Turf Team.
